DantSpa Presents

FMR with Direct Composites

- This is an online 4 days course
- Time 3-7pm daily
- We will teach you both theory and practical.
- For practical – a complete handson kit will be sent to you.
- The kit has a wear model, composites and finishing polishing kit etc.
- You have to restore the wear case in the hands on part.
- We would prefer you doing the course in the clinic as for the handson part you will have to work on your dental chair.
